

Nomad

SPLIT

Lagoon 450 S Nomad is the SporTop version of the 450. The yacht is aimed at cruising families who would rather have a helm station closer to the boat's main central living area. To clarify the new helm station is very close to the cockpit. This offers direct access to the mast and to the upper sunbathing area. Larger and with a bigger sail area, the yacht is offered in a 4-cabin version with en-suite bathrooms and 2 single berth in the bows. In addition, the yacht benefits from important improvements in terms of safety, performance and cruising comfort. The saloon and cockpit spaces are well proportioned. As a result, the ease of access from one to the other is typical of the layout on Lagoons and always appreciated by clients. Aboard this yacht you will have the perfect setting for the ultimate family getaway- space, privacy, luxury and comfort. The yacht is equipped with plenty of toys. Lagoon 450 S Nomad will entertain guests with Kayak, stand up paddle board, knee board, donat and snorkel sets.
